Lake Nasser Fishing

Fishing Trips On Lake Nasser

For several years, we offer fishing cruises or safaris Sport Fishing on Lake Nasser. Our parents were at the low traditional fishermen on this part of Nile and we received their experiences. We spent all our school vacations with them on the boats.

We decided to launch this new business while keeping the craft and expertise of our fathers, and develop a high level of quality services to our customers, fans of this activity.

The style of our "African Safari" stays combine traditional hospitality of South Egypt, and attention to service to allow your passion Fisheries. An unforgettable stay in full Wilderness, where you have the chance to capture the largest fish living in freshwater: the Nile perch.

Description of fishing trips

- 7 days / 6 nights on the boat - Lake Nasser

- 2 Nights in the hotel in Aswan/

(2 days spent for yours flights)

We accept bookings from a single person, minimum 3 days .

Program Standard

9 days / 8 nigghts

- Day # 1 (Arriving in Aswan)

You take a flight from your country to Aswan in Egypt, a direct flight or with a stopover in Cairo.

Following your arrival at Aswan airport, we transfer you to the hotel where you will spend the night.

- Day # 2 (The first day on Lake Nasser)

In the morning at 8:30 am your guide will pick up you at the hotel to join the boats at the High dam part (about 20 minutes by mini-bus) then you would be welcome by the team of our boats, then we start the trip on the beautiful lake in the world.

-Day # 3-7 (Fishing on Lake Nasser)

Every day after breakfast early in **the** morning, you start fishing until noon for lunch then you resume activity until the end of the day with change of fishing sites.

After our team will serve you the dinner.

- Day # 8 (The last day on the lake)

Like every day after breakfast early in the morning, you start fishing until noon for lunch then you resume the activity until 14:00, then return to the port to go to the hotel to spend the night.

. - Day # 9 (The last day of travel & flight to your country)

According to the time of your flight, we will pick up you at the hotel to go to Aswan airport for your flight to your country.

We advise you stay between October and June for this trip. In reality, you can fish for Nile perch all year. It divides the year into two seasons (summer - winter).

- Winter season (October to February)

The lake is at its highest level of the year and the Nile perch is greater depth, between 6 and 12 m, it is the season of big fish trolling and casting. The fly fishing is not recommended in winter.

- Summer season (March to late June)

Until September you can fish on lake Nasser. Our trips stop at the end of June but because of the high heat in Egypt

The Nile perch is in the shallower waters between 2-6 meters and very close to shore for the reason that the tilapia. This is the best time to shore fishing and fly. We can in this way will catch a lot of fish of all sizes. One can also practice trolling with small lure.

Fishing Techniques

The fishing technique on the lake are :

- Trolling
- Spinning (Drift Casting)
- Fly fishing (in summer)
- Vertical fishing (in winter) from the boat.

Species of Fish

More than thirty species of fish are known in the lake, but not all are fishable line.

There remains a wide variety of fish such, fishable in fishing line in particular

(Nile perch, Tiger fish, Cat fish, Puffer fish and Others).
